

*We have great news!!!*

The office of Dr. Beverly Thurmond now offers you the opportunity to confirm your appointment via email and/or text message. We know how busy you are and are excited to offer this convenient and free service to our patients. This is how it will work!

1. You can receive an email or text or both. You decide!
2. A confirmation email/text message will be sent 7 days prior to your appointment. You confirm by following the instructions. If multiple family members have same day appointments, only 1 email can be sent that lists each person's name and appointment time.
3. A reminder email/text message will be sent 2 days prior to your appointment. If you have already confirmed, this communication is just a friendly reminder.
4. A patient who confirms WILL NOT receive a reminder phone call.
5. If you cannot keep your appointment, please give the office at least 48 hours (prior to appointment) notice so that we may offer that time to another patient.
6. If you cancel an appointment with less than 48 hours notice or miss a confirmed appointment a \$25.00 missed appointment fee may be charged.
